Dear Doctor Ceydali,

Thank you for fixing my finger. It means alot to me! I want to tell you and ALL your nurses thank you, and also I want to make a request for you to tell the special nurse that gave me the Bay Medical BEAR a B I G thank you. I take that bear with me every where! Also you THANK YOU! Also my question was am I getting a cast? IS it or can it be pink or green? And am I aloud to go to cheerleading compation? Well my mom would also say thank you! Oh and I can't forget to say thank you to the nurse that put the IV in me and made it numb!! Also you tricked me! you put tape on the part were I was going to open it!
